

EXPERIENCE EPIC ADVENTURES

- Speed and Skill: Master the innovative true action combat system
- Amazing Graphics: Explore the breathtaking world of Arborea
- Express Yourself: Choose from seven races and thirteen classes to create your very own unique character
- Artisan and Conqueror: Triumph in exciting dungeons and optimise your gear
- Honour and Glory: Take to the battlegrounds and fight in open world PvP

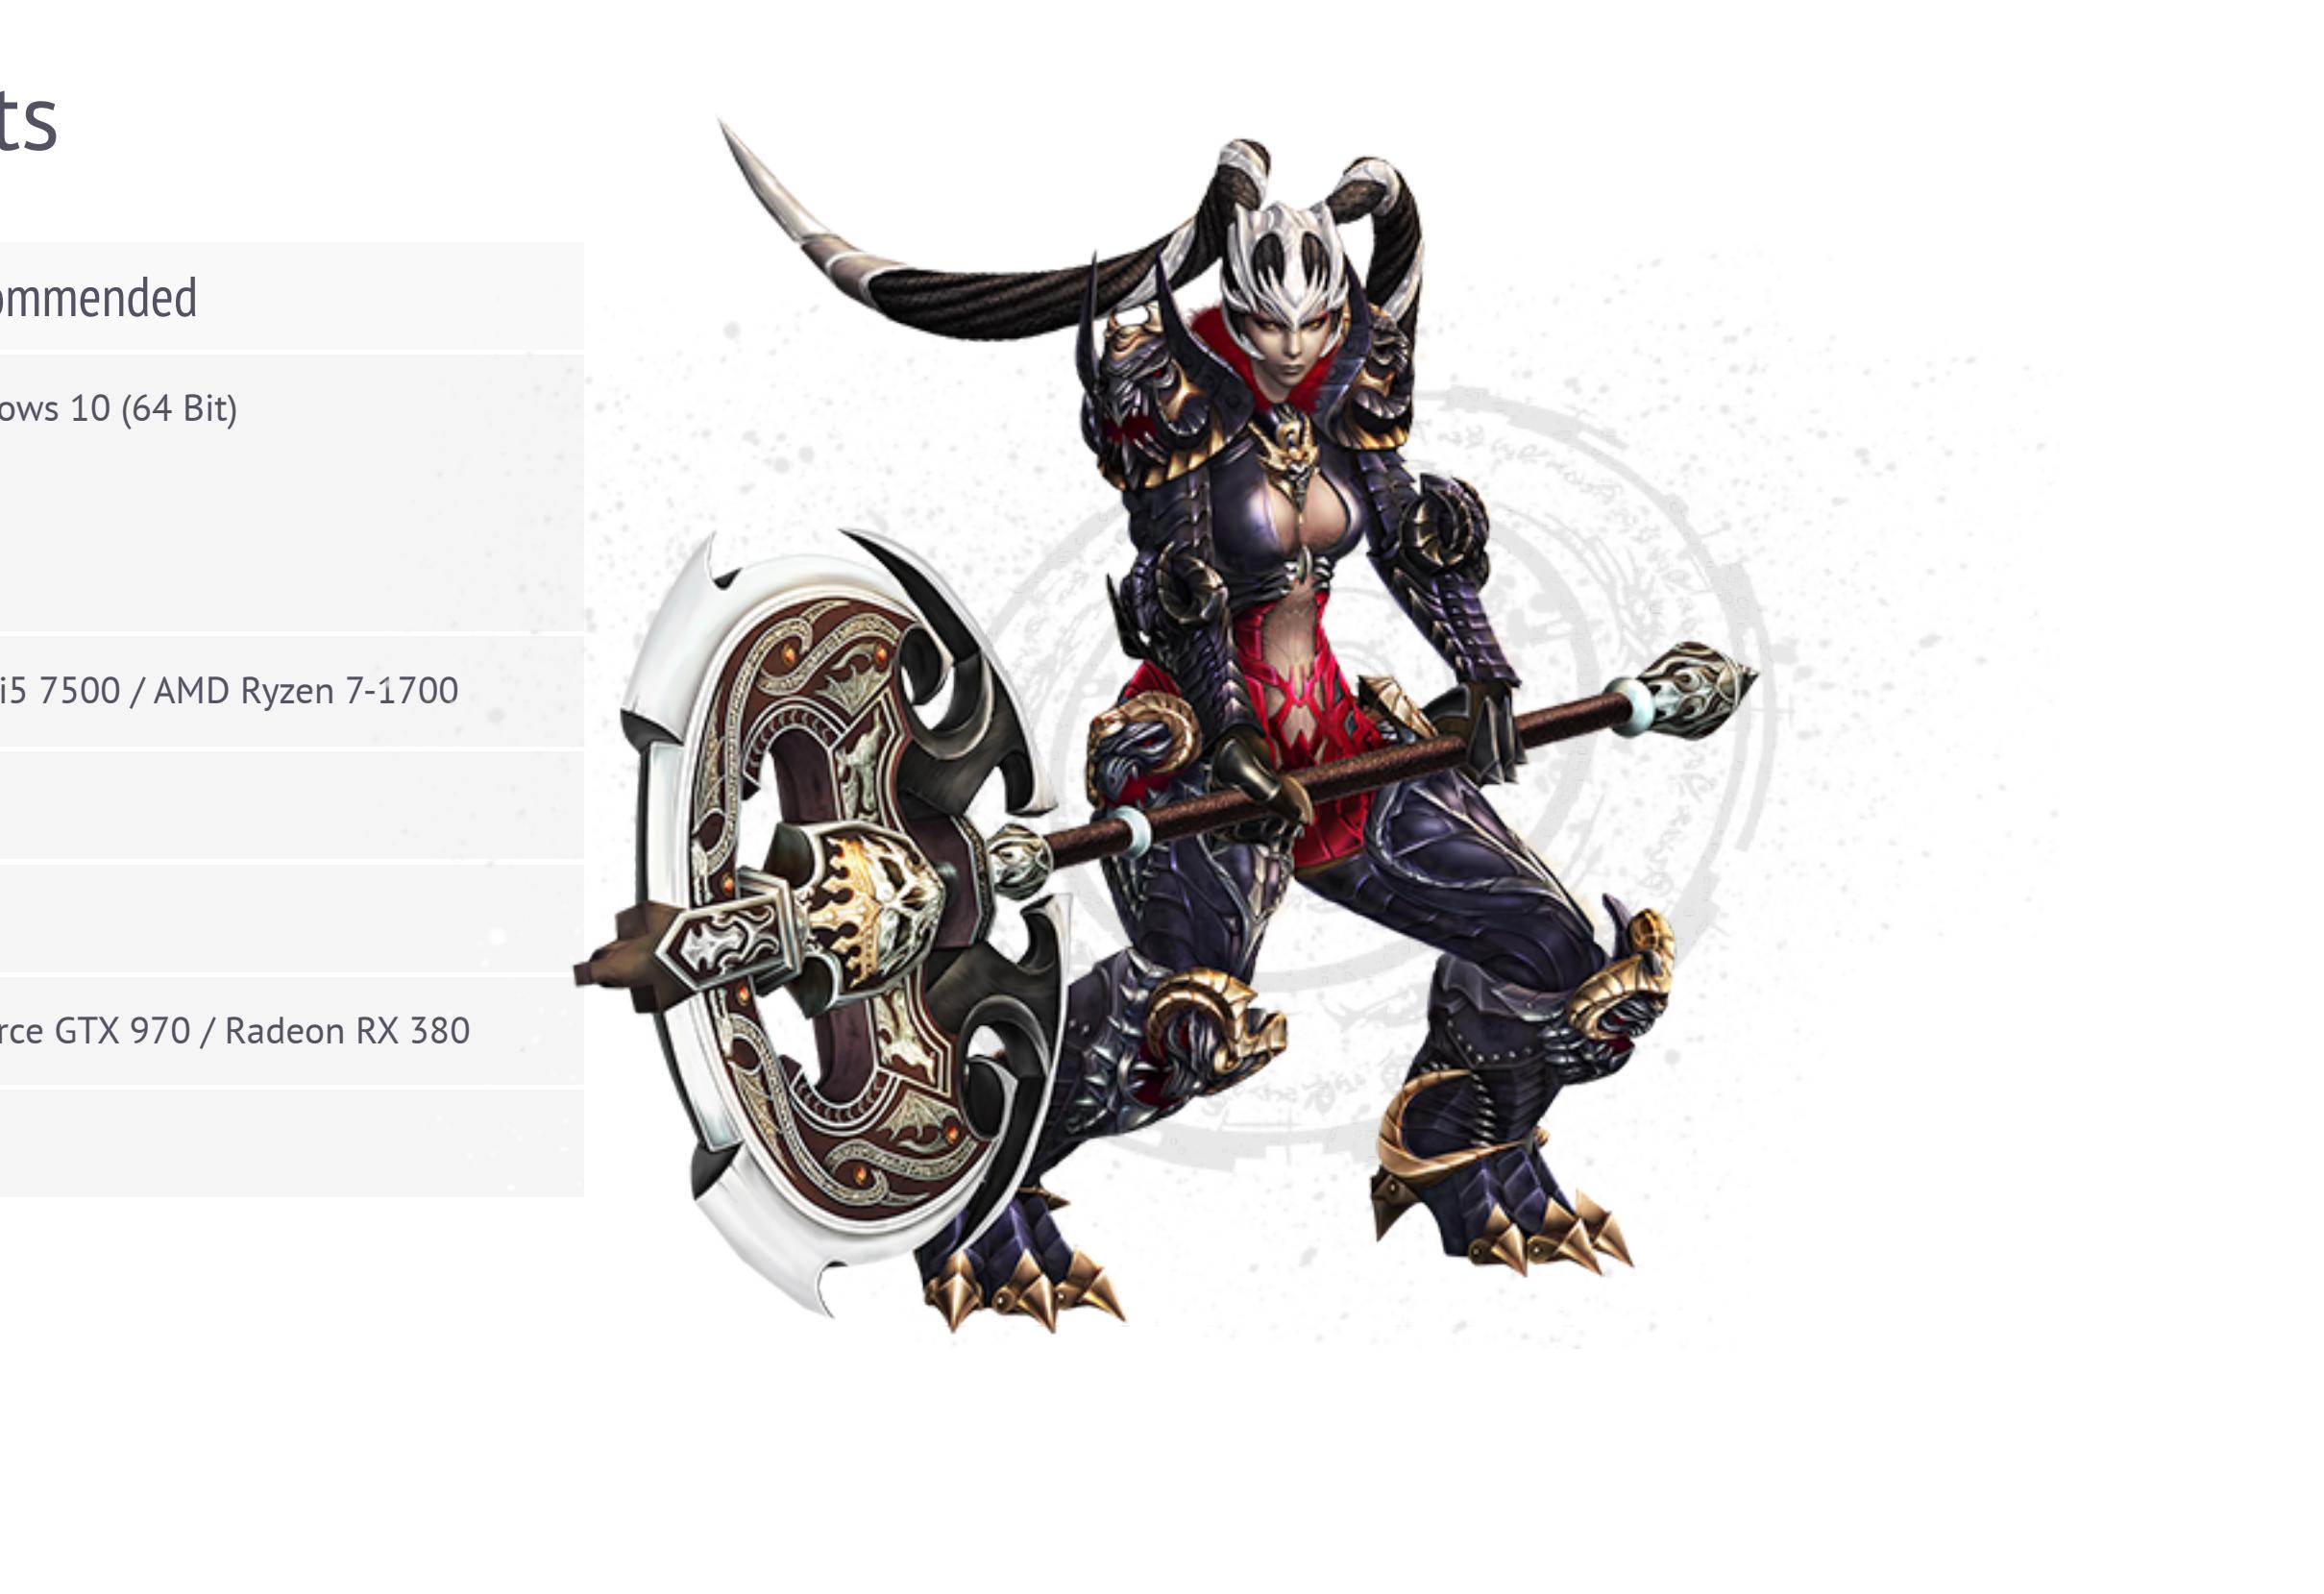

BECOME A HERO OF LEGEND

Discover your true self. Fearless humans, proud high elves, legendary barakas... the world of Arborea needs heroes of all races to survive in the fight against evil. Thirteen classes add to the mix – most recently the enigmatic Ninjas emerged from the shadows to join the federation's fight. Choose the path of the legendary shadow warriors or storm into the fray as a Berserker, Mystic or Gunner!

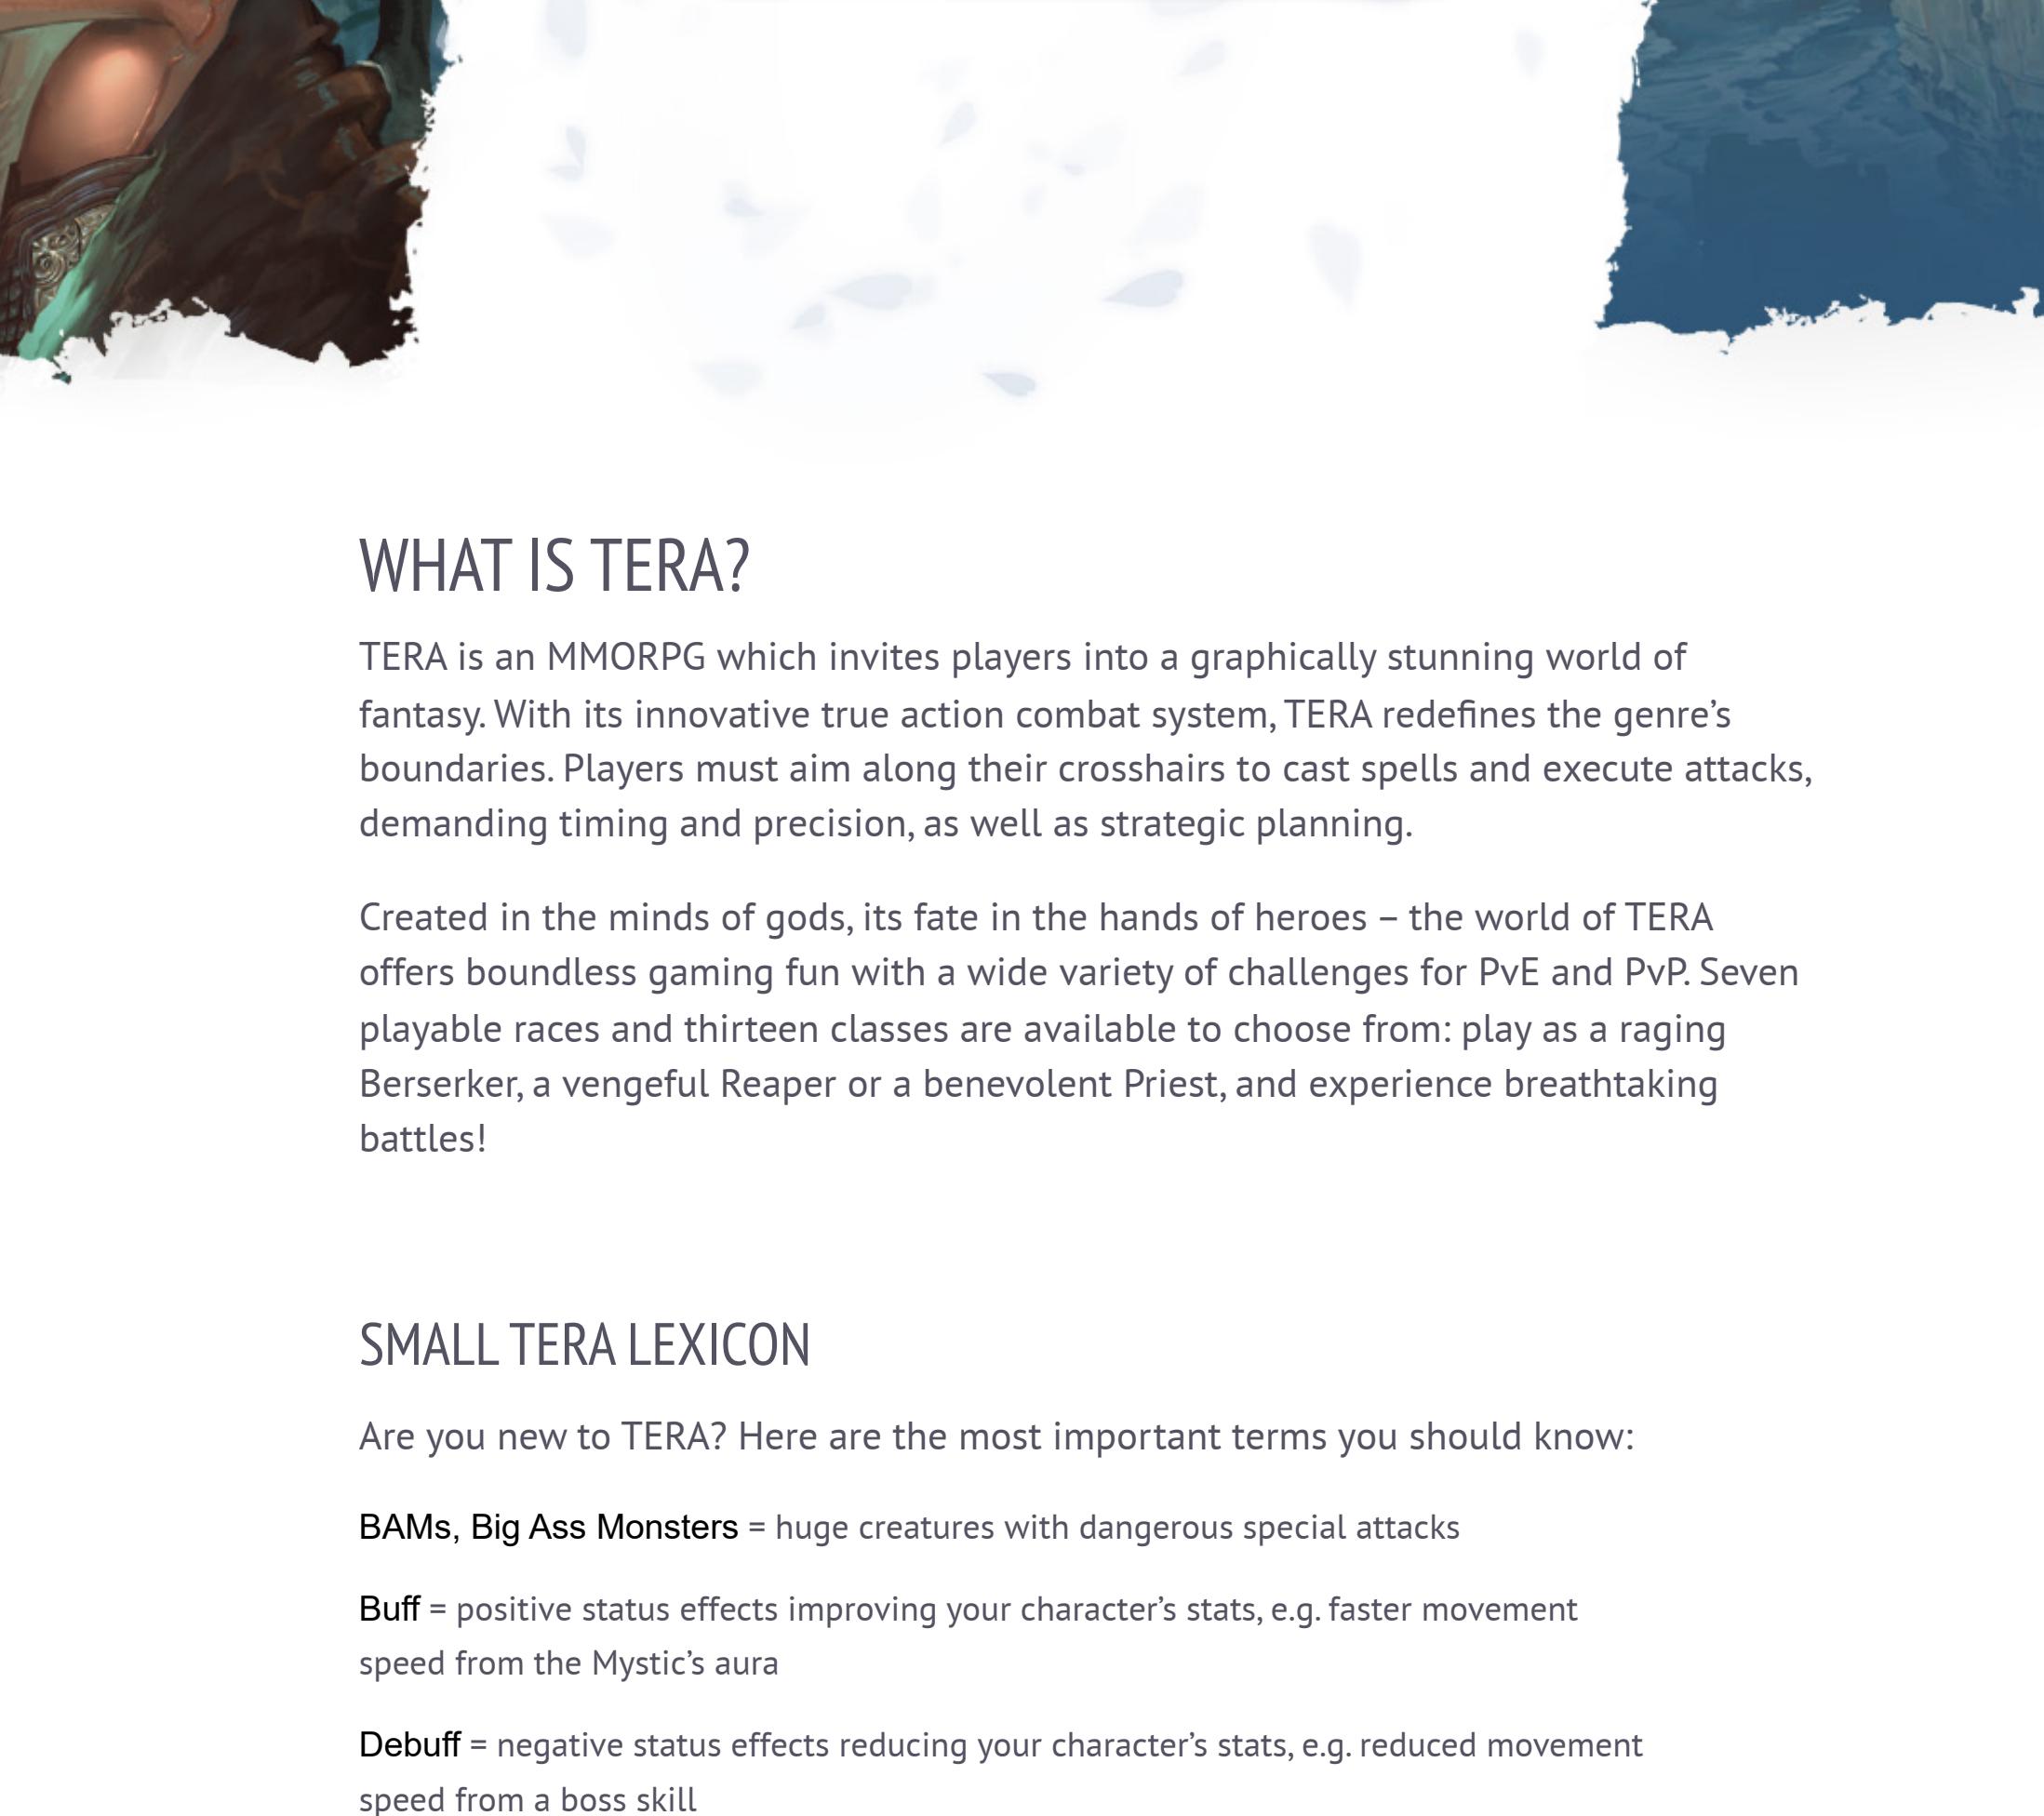

A WORLD OF IMMENSE BEAUTY

Created by Arun and Shara, the peaceful kingdom of Arborea is now under threat from dark forces. Only the bravest heroes will be able to push back the darkness. Venture out across the two giant continents, explore complex cave systems, illustrious cities, mysterious forests and other breathtakingly beautiful landscapes.

WHAT IS TERA?

TERA is an MMORPG which invites players into a graphically stunning world of fantasy. With its innovative true action combat system, TERA redefines the genre's boundaries. Players must aim along their crosshairs to cast spells and execute attacks, demanding timing and precision, as well as strategic planning.

Created in the minds of gods, its fate in the hands of heroes – the world of TERA offers boundless gaming fun with a wide variety of challenges for PvE and PvP. Seven playable races and thirteen classes are available to choose from: play as a raging Berserker, a vengeful Reaper or a benevolent Priest, and experience breathtaking battles!

SMALL TERA LEXICON

Are you new to TERA? Here are the most important terms you should know:

BAMs, Big Ass Monsters = huge creatures with dangerous special attacks

Buff = positive status effects improving your character's stats, e.g. faster movement speed from the Mystic's aura

Debuff = negative status effects reducing your character's stats, e.g. reduced movement speed from a boss skill

BG, Battleground = PvP maps where you play against other players in special missions, see also PvP

CU, Civil Unrest = guild combat system in TERA

DQ, Dungeon Queue, Dungeon Finder = a tool which makes it easier and faster to find a group in TERA

Class = you can choose between a variety of character classes in TERA, e.g. Ninjas and Berserkers

Race = your character can belong to a variety of different races in TERA, e.g. High Elves, Elins or Humans

DD, Damage Dealer = classes whose main purpose is to inflict high damage on enemies

Healer = classes whose main purpose is to heal damage taken, generally for a whole group

Tank = classes whose main purpose is to draw enemy attacks and soak damage

Guild Missions = you can complete special missions with your guild in TERA

Guild Skills = special skills become available to your guild in reward for good teamplay

True Action Combat = unique combat system where attacks must be aimed using the crosshair

Unreal Engine = TERA uses the Unreal Engine 3

iFrame, invincibility frame = special game mechanics which make your character invulnerable for a short period of time

IoD, Island of Dawn = high-level zone mainly for solo missions

Low skill = often used in combination with easy dungeons

NM, Normal Mode = many dungeons come in two different difficulty levels, normal being the easier of the two

HM, Hard Mode = many dungeons come in two different difficulty levels, hard being the more difficult of the two

MMO = Massively Multiplayer Online

MMOG = Massively Multiplayer Online Game

MMORPG = Massively Multiplayer Online Role-Playing Game

RPG = Role-Playing Game

Free2Play, F2P = free to play

WTB, Want to Buy = abbreviation used by players wanting to trade

WTS, Want to Sell = abbreviation used by players wanting to trade

WTT, Want to Trade = abbreviation used by players wanting to trade

PvP = Player versus Player

PvE, Player versus Environment = combat against monsters and NPCs

RvR, Raid versus Raid = alliances of whole groups of players fighting against one another
